2022 SUCCESS

2022 was a year of success and continued growth. While Hurricane Ian swept through our grounds during the final weekend of our State Fair, we still saw above average facility attendance growth for our many other events.

Meadow Event Park

The Meadow Event Park in Caroline County, Virginia, was once a family farm and is now a multi-purpose venue — it is home to the State Fair of Virginia and other notable events. The 331-acre property is rich in history and features a mixture of newly constructed facilities and original structures. Thoroughbred racing legend Secretariat was born here in 1970. Three years later he blazed his way into Triple Crown history. Today his birthplace is listed on the National Register of Historic Places and the Virginia Landmarks Register. Narrated tours have been suspended at this time.

Situated just minutes from I-95, the Meadow Event Park offers a diverse setting for all types of events. The unique collection of facilities can accommodate a wide variety of events year-round.

Located along I-95 between Fredericksburg and Richmond, the Meadow Event Park is the home to major regional events such as the State Fair of Virginia, Illuminate Christmas Light Show, and the Virginia Farm Festival. It is also home to the birthplace of world famous, Triple-Crown winning racehorse, Secretariat.
